2. Add the home page

3. Add the login page

4. Add the Sign up page

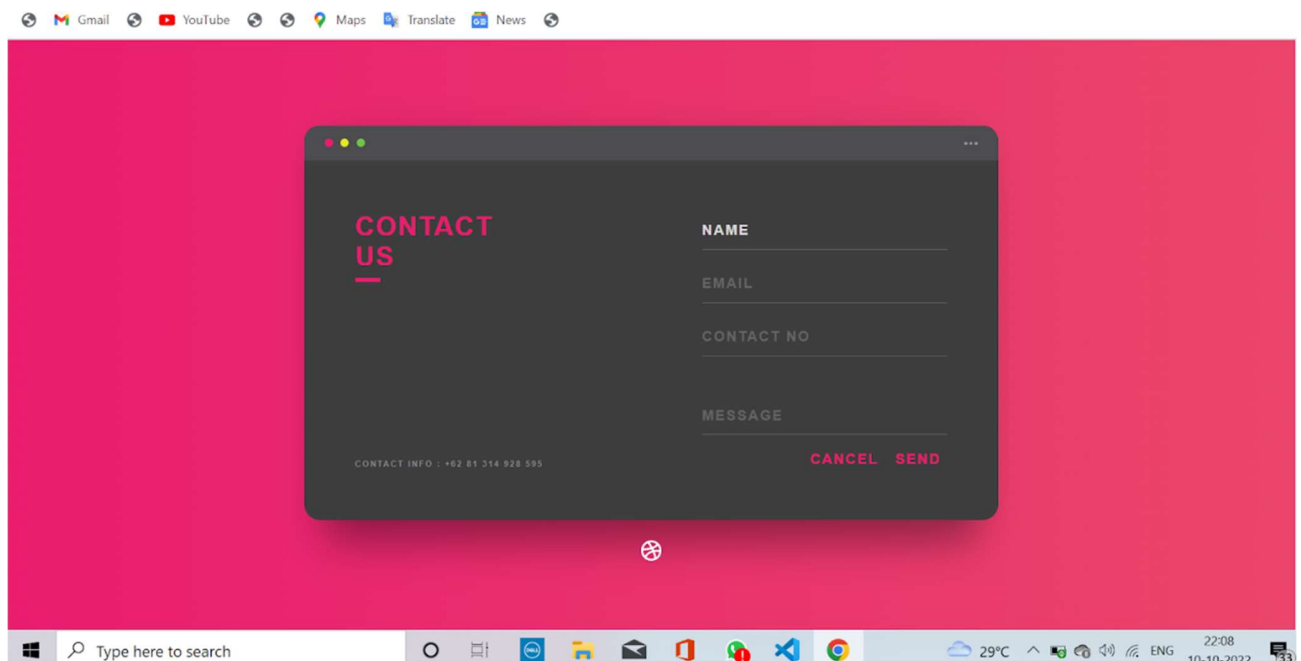

The screenshot shows a web browser window with a registration form. The browser's address bar displays several tabs: Gmail, YouTube, Maps, Translate, and News. The registration form is titled "Registration" and is set against a blue and purple gradient background. It contains the following fields and options:

- Full Name**: A text input field with the placeholder "Enter your name".
- Username**: A text input field with the placeholder "Enter your username".
- Email**: A text input field with the placeholder "Enter your email".
- Phone Number**: A text input field with the placeholder "Enter your number".
- Password**: A text input field with the placeholder "Enter your password".
- Confirm Password**: A text input field with the placeholder "Confirm your password".
- Gender**: Three radio button options: "Male", "Female", and "Prefer not to say".

A large, wide "Register" button is positioned at the bottom of the form. The browser's taskbar at the bottom shows the Windows logo, a search bar with the text "Type here to search", and various application icons including Edge, File Explorer, Mail, and several social media and utility apps. The system tray on the right indicates a temperature of 29°C, the time 22:08, and the date 10-10-2022.

5. Add the contact page

The screenshot shows a web browser window with a contact form. The browser's address bar displays the same tabs as the previous image: Gmail, YouTube, Maps, Translate, and News. The contact form is displayed in a dark-themed window with a pink background. The form is titled "CONTACT US" in pink text. It contains the following fields and options:

- NAME**: A text input field.
- EMAIL**: A text input field.
- CONTACT NO**: A text input field.
- MESSAGE**: A text input field.

At the bottom left of the form, there is a line of text: "CONTACT INFO : +62 81 314 928 595". At the bottom right, there are two buttons: "CANCEL" and "SEND". The browser's taskbar at the bottom is identical to the one in the previous image, showing the Windows logo, search bar, and system tray with the same temperature, time, and date information.

6. Add the about page
