```

## 2. Add the home page

## 3. Add the login page

#### 4. Add the Sign up page

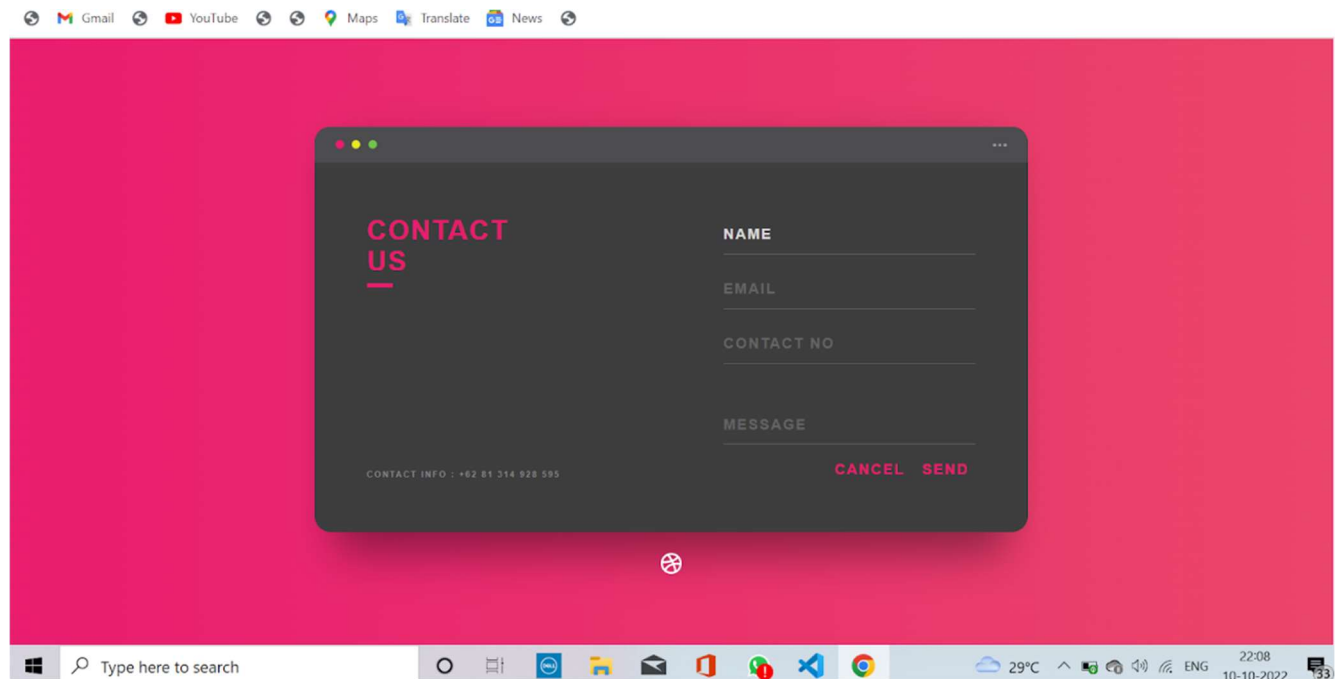

The screenshot shows a web browser window with a registration form. The browser's address bar displays several tabs: Gmail, YouTube, Maps, Translate, and News. The registration form is titled "Registration" and is set against a light blue and purple gradient background. It contains the following fields and options:

- Full Name:** A text input field with the placeholder "Enter your name".
- Username:** A text input field with the placeholder "Enter your username".
- Email:** A text input field with the placeholder "Enter your email".
- Phone Number:** A text input field with the placeholder "Enter your number".
- Password:** A text input field with the placeholder "Enter your password".
- Confirm Password:** A text input field with the placeholder "Confirm your password".
- Gender:** Three radio button options: "Male", "Female", and "Prefer not to say".

A large, rounded rectangular button with a blue-to-purple gradient and the text "Register" is positioned at the bottom of the form. The Windows taskbar at the bottom shows the search bar, task view button, and several application icons, along with system information like temperature (29°C) and date/time (22:08, 10-10-2022).

#### 5. Add the contact page

The screenshot shows a web browser window with a contact form. The browser's address bar displays the same tabs as the previous screenshot: Gmail, YouTube, Maps, Translate, and News. The contact form is titled "CONTACT US" and is set against a solid pink background. The form is displayed in a dark gray modal window with the following fields and elements:

- NAME:** A text input field.
- EMAIL:** A text input field.
- CONTACT NO:** A text input field.
- MESSAGE:** A text input field.
- CONTACT INFO:** A small text label at the bottom left of the modal that reads "+62 81 314 928 595".
- Buttons:** Two buttons at the bottom right of the modal, labeled "CANCEL" and "SEND", with "SEND" in pink text.

The Windows taskbar at the bottom is identical to the one in the previous screenshot, showing the search bar, task view button, application icons, and system information (29°C, 22:08, 10-10-2022).

## 6. Add the about page
