```

2. Add the home page

3. Add the login page

4. Add the Sign up page

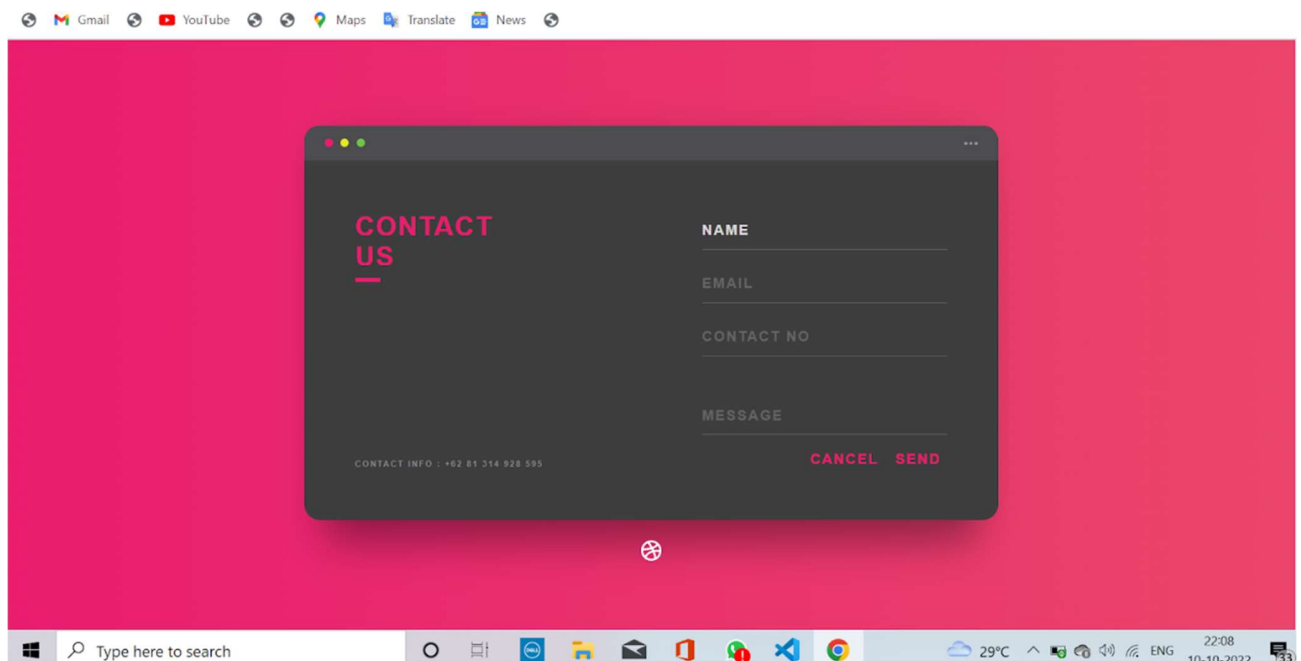

The screenshot shows a web browser window with a registration form. The browser's address bar displays several open tabs: Gmail, YouTube, Maps, Translate, and News. The registration form is titled "Registration" and is set against a light blue and purple gradient background. It contains the following fields and options:

- Full Name:** A text input field with the placeholder "Enter your name".
- Username:** A text input field with the placeholder "Enter your username".
- Email:** A text input field with the placeholder "Enter your email".
- Phone Number:** A text input field with the placeholder "Enter your number".
- Password:** A text input field with the placeholder "Enter your password".
- Confirm Password:** A text input field with the placeholder "Confirm your password".
- Gender:** Three radio button options: "Male", "Female", and "Prefer not to say".

At the bottom of the form is a large, rounded rectangular button with a blue-to-purple gradient, labeled "Register". The browser's taskbar at the bottom shows the Windows search bar, several application icons, and system information including the temperature (29°C), time (22:08), and date (10-10-2022).

5. Add the contact page

The screenshot shows a web browser window with a contact form. The browser's address bar displays the same tabs as the previous screenshot: Gmail, YouTube, Maps, Translate, and News. The contact form is titled "CONTACT US" and is displayed in a dark gray window with a pink shadow, centered on a solid pink background. The form includes the following elements:

- Form Title:** "CONTACT US" in pink, with a short pink underline.
- Input Fields:** Four text input fields labeled "NAME", "EMAIL", "CONTACT NO", and "MESSAGE".
- Contact Info:** A line of text at the bottom left that reads "CONTACT INFO : +62 81 314 928 595".
- Buttons:** Two buttons at the bottom right, labeled "CANCEL" and "SEND", both in pink.

The browser's taskbar at the bottom is identical to the one in the previous screenshot, showing the Windows search bar, application icons, and system information (29°C, 22:08, 10-10-2022).

6. Add the about page
